| DATA SHEET                       |  <a href="#">SP6201ER-L-3-3/TR.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 0.5V @ 200mA                                                                                                              |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                                                      |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                                         |
| VOLTAGE - INPUT (MAX)            | 6V                                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-DFN (2x3)                                                                                                               |
| SERIES                           | -                                                                                                                         |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                                          |
| PACKAGE / CASE                   | 8-VDFN Exposed Pad                                                                                                        |
| PSRR                             | 78dB ~ 40dB (100Hz ~ 400Hz)                                                                                               |
| OUTPUT TYPE                      | Fixed                                                                                                                     |
| OUTPUT CONFIGURATION             | Positive                                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                             |
| NUMBER OF REGULATORS             | 1                                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 200mA 8-DFN (2x3)                                                |
| CURRENT - SUPPLY (MAX)           | 400μA                                                                                                                     |
| CURRENT - QUIESCENT (IQ)         | 1μA                                                                                                                       |
| CURRENT - OUTPUT                 | 200mA                                                                                                                     |
| CONTROL FEATURES                 | Enable                                                                                                                    |
