

BD12732FVM-GTR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BD12732FVM-GTR                                                                                               |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC OP AMP I/O FULL SWING 8MSOP                                                                               |
| Datasheets:         | <a href="#">1.BD12732FVM-GTR.pdf</a><br><a href="#">2.BD12732FVM-GTR.pdf</a>                                 |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of BD12732FVM-GTR

|                                   |                                                                                      |
|-----------------------------------|--------------------------------------------------------------------------------------|
| PART NUMBER                       | BD12732FVM-GTR                                                                       |
| MANUFACTURER                      | LAPIS Semiconductor                                                                  |
| DESCRIPTION                       | IC OP AMP I/O FULL SWING 8MSOP                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                           |
| DATA SHEET                        | <a href="#">PDF 1.BD12732FVM-GTR.pdf</a><br><a href="#">PDF 2.BD12732FVM-GTR.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.8 V ~ 5 V                                                                          |
| VOLTAGE - INPUT OFFSET            | 1mV                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 8-MSOP                                                                               |
| SLEW RATE                         | 0.4 V/μs                                                                             |
| SERIES                            | -                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                     |
| PACKAGE / CASE                    | 8-VSSOP, 8-MSOP (0.110", 2.80mm Width)                                               |
| OUTPUT TYPE                       | -                                                                                    |
| OTHER NAMES                       | BD12732FVM-GTRTR                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                         |
| NUMBER OF CIRCUITS                | 2                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                        |
| MANUFACTURER STANDARD LEAD TIME   | 8 Weeks                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                           |
| GAIN BANDWIDTH PRODUCT            | 1MHz                                                                                 |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit 8-MSOP                                           |
| CURRENT - SUPPLY                  | 580μA                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 12mA                                                                                 |
| CURRENT - INPUT BIAS              | 50nA                                                                                 |
| AMPLIFIER TYPE                    | General Purpose                                                                      |
