| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                |
| DESCRIPTION                      | IC CLK GENERATOR 200MHZ 20QFN                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DATA SHEET                       | <a href="#">1.SI5351C-B-GMR.pdf</a><br><a href="#">2.SI5351C-B-GMR.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.71 V ~ 3.6 V                                                             |
| TYPE                             | Clock Generator                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-QFN (4x4)                                                               |
| SERIES                           | MultiSynth™                                                                |
| RATIO - INPUT:OUTPUT             | 2:8                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 20-VFQFN Exposed Pad                                                       |
| PLL                              | Yes                                                                        |
| OUTPUT                           | LVC MOS                                                                    |
| OTHER NAMES                      | 336-5160-2<br>SI5351C-B-GMR-ND                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                               |
| NUMBER OF CIRCUITS               | 1                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 4 Weeks                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| INPUT                            | Clock, Crystal                                                             |
| FREQUENCY - MAX                  | 200MHz                                                                     |
| DIVIDER/MULTIPLIER               | Yes/No                                                                     |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                      |
