F640BFHEPBTL90

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | F640BFHEPBTL90                                                                                                       |
| Manufacturer/Brand: | Sharp Microelectronics                                                                                               |
| Product description | IC FLASH 64M PARALLEL 48TSOP                                                                                         |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of F640BFHEPBTL90

|                                  |                                                                   |
|----------------------------------|-------------------------------------------------------------------|
| PART NUMBER                      | F640BFHEPBTL90                                                    |
| MANUFACTURER                     | Sharp Microelectronics                                            |
| DESCRIPTION                      | IC FLASH 64M PARALLEL 48TSOP                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                |
| DATA SHEET                       |                                                                   |
| WRITE CYCLE TIME - WORD, PAGE    | 90ns                                                              |
| VOLTAGE - SUPPLY                 | -                                                                 |
| TECHNOLOGY                       | FLASH - Boot Block                                                |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP                                                           |
| SERIES                           | -                                                                 |
| PACKAGING                        | Tray                                                              |
| PACKAGE / CASE                   | 48-TFSOP (0.488", 12.40mm Width)                                  |
| OTHER NAMES                      | 425-1827<br>LH28F640BFHE-PBTL90<br>LHF64F12                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                 |
| MOUNTING TYPE                    | Surface Mount                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                     |
| MEMORY TYPE                      | Non-Volatile                                                      |
| MEMORY SIZE                      | 64Mb (4M x 16)                                                    |
| MEMORY INTERFACE                 | Parallel                                                          |
| MEMORY FORMAT                    | FLASH                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                |
| DETAILED DESCRIPTION             | FLASH - Boot Block Memory IC 64Mb (4M x 16) Parallel 90ns 48-TSOP |
| ACCESS TIME                      | 90ns                                                              |
