| VOLTAGE DROPOUT (MAX)            | 1.5V @ 200mA                                                                                                |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.54V (3.3V)                                                                                                |
| VOLTAGE - OUTPUT (MAX)           | 11V                                                                                                         |
| VOLTAGE - INPUT (MAX)            | 65V                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 6-TDFN-EP (3x3)                                                                                             |
| SERIES                           | -                                                                                                           |
| PROTECTION FEATURES              | Over Current, Over Temperature, Short Circuit                                                               |
| PACKAGING                        | Cut Tape (CT)                                                                                               |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                                                          |
| PSRR                             | 55dB (100Hz)                                                                                                |
| OUTPUT TYPE                      | Adjustable (Fixed)                                                                                          |
| OUTPUT CONFIGURATION             | Positive                                                                                                    |
| OTHER NAMES                      | MAX5085ATT+CT                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                               |
| NUMBER OF REGULATORS             | 1                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 3.3V, 2.54 V ~ 11 V 200mA 6-TDFN-EP (3x3) |
| CURRENT - SUPPLY (MAX)           | 4mA                                                                                                         |
| CURRENT - QUIESCENT (IQ)         | 140µA                                                                                                       |
| CURRENT - OUTPUT                 | 200mA                                                                                                       |
| CONTROL FEATURES                 | Enable                                                                                                      |
