Specifications of CLVC1G125QDBVRQ1

|                                  |                                                                           |
|----------------------------------|---------------------------------------------------------------------------|
| PART NUMBER                      | CLVC1G125QDBVRQ1                                                          |
| MANUFACTURER                     | N/A                                                                       |
| DESCRIPTION                      | IC BUF NON-INVERT 5.5V SOT23-5                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| DATA SHEET                       |                                                                           |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 5.5 V                                                            |
| SUPPLIER DEVICE PACKAGE          | SOT-23-5                                                                  |
| SERIES                           | Automotive, AEC-Q100, 74LVC                                               |
| PACKAGING                        | Cut Tape (CT)                                                             |
| PACKAGE / CASE                   | SC-74A, SOT-753                                                           |
| OUTPUT TYPE                      | 3-State                                                                   |
| OTHER NAMES                      | 296-23463-1                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                        |
| NUMBER OF ELEMENTS               | 1                                                                         |
| NUMBER OF BITS PER ELEMENT       | 1                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                             |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                   |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| INPUT TYPE                       | -                                                                         |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 1 Element 1 Bit per Element 3-State Output SOT-23-5 |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                |
| BASE PART NUMBER                 | 74LVC1G125                                                                |
