| DESCRIPTION                      | IC LIU OCTAL T1/E1/J1 144LQFP                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  CS61884-IQZ.pdf |
| VOLTAGE - SUPPLY                 | 3.14 V ~ 3.47 V                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 144-LQFP (20x20)                                                                                    |
| SERIES                           | -                                                                                                   |
| POWER (WATTS)                    | 1.73W                                                                                               |
| PACKAGING                        | Tray                                                                                                |
| PACKAGE / CASE                   | 144-LQFP                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                        |
| NUMBER OF CIRCUITS               | 8                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INTERFACE                        | E1, J1, T1                                                                                          |
| INCLUDES                         | AMI Encoder and Decoder, B8ZS Encoder and Decoder, HDB3 Encoder and Decoder, LOS Detection          |
| FUNCTION                         | Line Interface Unit (LIU)                                                                           |
| DETAILED DESCRIPTION             | Telecom IC Line Interface Unit (LIU) 144-LQFP (20x20)                                               |
| CURRENT - SUPPLY                 | -                                                                                                   |
| BASE PART NUMBER                 | CS61884                                                                                             |
