

C8051F546-IMR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | C8051F546-IMR                                                                                                |
| Manufacturer/Brand: | Energy Micro (Silicon Labs)                                                                                  |
| Product description | IC MCU 8BIT 8KB FLASH 24QFN                                                                                  |
| Datasheets:         | <a href="#">1.C8051F546-IMR.pdf</a><br><a href="#">2.C8051F546-IMR.pdf</a>                                   |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

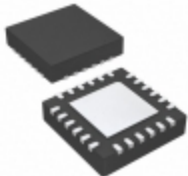

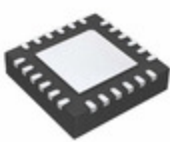

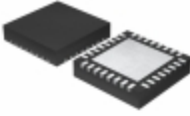

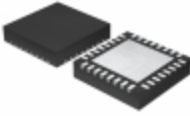

Specifications of C8051F546-IMR

|                                  |                                                                               |
|----------------------------------|-------------------------------------------------------------------------------|
| PART NUMBER                      | C8051F546-IMR                                                                 |
| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                   |
| DESCRIPTION                      | IC MCU 8BIT 8KB FLASH 24QFN                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| DATA SHEET                       | <a href="#">1.C8051F546-IMR.pdf</a><br><a href="#">2.C8051F546-IMR.pdf</a>    |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 5.25 V                                                                |
| SUPPLIER DEVICE PACKAGE          | 24-QFN (4x4)                                                                  |
| SPEED                            | 50MHz                                                                         |
| SERIES                           | C8051F54x                                                                     |
| RAM SIZE                         | 1.25K x 8                                                                     |
| PROGRAM MEMORY TYPE              | FLASH                                                                         |
| PROGRAM MEMORY SIZE              | 8KB (8K x 8)                                                                  |
| PERIPHERALS                      | POR, PWM, Temp Sensor, WDT                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                              |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                          |
| OSCILLATOR TYPE                  | Internal                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                            |
| NUMBER OF I/O                    | 18                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| EEPROM SIZE                      | -                                                                             |
| DETAILED DESCRIPTION             | 8051 C8051F54x Microcontroller IC 8-Bit 50MHz 8KB (8K x 8) FLASH 24-QFN (4x4) |
| DATA CONVERTERS                  | A/D 18x12b                                                                    |
| CORE SIZE                        | 8-Bit                                                                         |
| CORE PROCESSOR                   | 8051                                                                          |
| CONNECTIVITY                     | SMBus (2-Wire/I²C), LINbus, SPI, UART/USART                                   |
