| MANUFACTURER                     | Micron Technology                                                                                      |
| DESCRIPTION                      | IC FLASH 128M PARALLEL 56TSOP                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  JS28F128J3F75G.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 75ns                                                                                                   |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                          |
| TECHNOLOGY                       | FLASH - NOR                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 56-TSOP (14x20)                                                                                        |
| SERIES                           | StrataFlash™                                                                                           |
| PACKAGING                        | Tray                                                                                                   |
| PACKAGE / CASE                   | 56-TFSOP (0.724", 18.40mm Width)                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MEMORY TYPE                      | Non-Volatile                                                                                           |
| MEMORY SIZE                      | 128Mb (16M x 8, 8M x 16)                                                                               |
| MEMORY INTERFACE                 | Parallel                                                                                               |
| MEMORY FORMAT                    | FLASH                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 128Mb (16M x 8, 8M x 16) Parallel 75ns 56-TSOP (14x20)                           |
| BASE PART NUMBER                 | JS28F128                                                                                               |
| ACCESS TIME                      | 75ns                                                                                                   |
