| DESCRIPTION                       | IC OPAMP GP 8.4MHZ RRO 8SOIC                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                                    |
| DATA SHEET                        |  <a href="#">AD8602DR-REEL.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5.5 V                                                                                                         |
| VOLTAGE - INPUT OFFSET            | 1.3mV                                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                                                                |
| SLEW RATE                         | 6 V/μs                                                                                                                |
| SERIES                            | DigiTrim®                                                                                                             |
| PACKAGING                         | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                         |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                          |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                         |
| NUMBER OF CIRCUITS                | 2                                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                                    |
| GAIN BANDWIDTH PRODUCT            | 8.4MHz                                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-SOIC                                                               |
| CURRENT - SUPPLY                  | 750μA                                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 50mA                                                                                                                  |
| CURRENT - INPUT BIAS              | 0.2pA                                                                                                                 |
