

ATMEGA16A-AU

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ATMEGA16A-AU                                                                                                 |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC MCU 8BIT 16KB FLASH 44TQFP                                                                                |
| Datasheets:         | <a href="#">1.ATMEGA16A-AU.pdf</a><br><a href="#">2.ATMEGA16A-AU.pdf</a>                                     |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

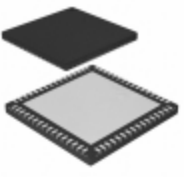

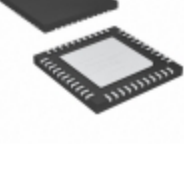

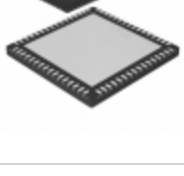

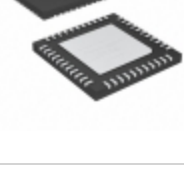

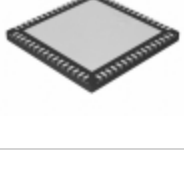

Specifications of ATMEGA16A-AU

|                                  |                                                                                     |
|----------------------------------|-------------------------------------------------------------------------------------|

| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 5.5 V                                                                       |
| SUPPLIER DEVICE PACKAGE          | 44-TQFP (10x10)                                                                     |
| SPEED                            | 16MHz                                                                               |
| SERIES                           | AVR® ATmega                                                                         |
| RAM SIZE                         | 1K x 8                                                                              |
| PROGRAM MEMORY TYPE              | FLASH                                                                               |
| PROGRAM MEMORY SIZE              | 16KB (8K x 16)                                                                      |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, WDT                                               |
| PACKAGING                        | Tray                                                                                |
| PACKAGE / CASE                   | 44-TQFP                                                                             |
| OTHER NAMES                      | ATMEGA16AAU                                                                         |
| OSCILLATOR TYPE                  | Internal                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                   |
| NUMBER OF I/O                    | 32                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| EEPROM SIZE                      | 512 x 8                                                                             |
| DETAILED DESCRIPTION             | AVR AVR® ATmega Microcontroller IC 8-Bit 16MHz 16KB (8K x 16) FLASH 44-TQFP (10x10) |
| DATA CONVERTERS                  | A/D 8x10b                                                                           |
| CORE SIZE                        | 8-Bit                                                                               |
| CORE PROCESSOR                   | AVR                                                                                 |
| CONNECTIVITY                     | I²C, SPI, UART/USART                                                                |
| BASE PART NUMBER                 | ATMEGA16                                                                            |
