

EX-Z13FA-PR

|                     |                                   |
|---------------------|-----------------------------------|
| Part Number:        | EX-Z13FA-PR                       |
| Manufacturer/Brand: | Panasonic                         |
| Product description | SENSOR THRUBM 500MM LT ON PNP OU  |
|                     | <a href="#">1.EX-Z13FA-PR.pdf</a> |
|                     | <a href="#">2.EX-Z13FA-PR.pdf</a> |
|                     | <a href="#">3.EX-Z13FA-PR.pdf</a> |
| Datasheets:         |                                   |
| RoHs Status         | Lead free / RoHS Compliant        |
| Ship From           | Hong Kong                         |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS             |

REQUEST FOR QUOTATION

Specifications of EX-Z13FA-PR

|                                  |                                                                                                             |

| DESCRIPTION                      | SENSOR THRUBM 500MM LT ON PNP OU                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| DATA SHEET                       | <a href="#">1.EX-Z13FA-PR.pdf</a><br><a href="#">2.EX-Z13FA-PR.pdf</a><br><a href="#">3.EX-Z13FA-PR.pdf</a> |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                                                                 |
| SERIES                           | EX-Z                                                                                                        |
| SENSING METHOD                   | Through-Beam                                                                                                |
| SENSING DISTANCE                 | 19.685" (500mm)                                                                                             |
| RESPONSE TIME                    | 500µs                                                                                                       |
| OUTPUT CONFIGURATION             | PNP - Open Collector/Light-ON                                                                               |
| OPERATING TEMPERATURE            | -10°C ~ 55°C                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| MANUFACTURER STANDARD LEAD TIME  | 11 Weeks                                                                                                    |
| LIGHT SOURCE                     | Red LED                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| INGRESS PROTECTION               | IP67                                                                                                        |
| CONNECTION METHOD                | Cable                                                                                                       |
| CABLE LENGTH                     | 80.0" (200cm)                                                                                               |
| ADJUSTMENT TYPE                  | Fixed                                                                                                       |
