| MANUFACTURER                     | Micrel / Microchip Technology                                     |
| DESCRIPTION                      | IND RF DATA CONTROL RECEIVER                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| DATA SHEET                       | <a href="#">PDF</a> ATA8203P3C-TKQW.pdf                           |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                     |
| SUPPLIER DEVICE PACKAGE          | 20-SSO                                                            |
| SERIES                           | -                                                                 |
| SENSITIVITY                      | -113dBm                                                           |
| PACKAGING                        | Cut Tape (CT)                                                     |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                   |
| OTHER NAMES                      | 1611-ATA8203P3C-TKQWCT                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                     |
| MODULATION OR PROTOCOL           | UHF                                                               |
| MEMORY SIZE                      | -                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 19 Weeks                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| FREQUENCY                        | 315MHz                                                            |
| FEATURES                         | RSSI Equipped                                                     |
| DETAILED DESCRIPTION             | - RF Receiver UHF 315MHz -113dBm 10kbps PCB, Surface Mount 20-SSO |
| DATA RATE (MAX)                  | 10kbps                                                            |
| DATA INTERFACE                   | -                                                                 |
| CURRENT - RECEIVING              | 11mA                                                              |
| APPLICATIONS                     | General Purpose                                                   |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                |
