| DESCRIPTION                      | IC TXRX LINE-PWR RS232 14-TSSOP                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| DATA SHEET                       |  DS275E+.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                   |
| TYPE                             | Transceiver                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                                        |
| SERIES                           | -                                                                                               |
| RECEIVER HYSTERESIS              | 800mV                                                                                           |
| PROTOCOL                         | RS232                                                                                           |
| PACKAGING                        | Tube                                                                                            |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                      |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| DUPLEX                           | Full                                                                                            |
| DETAILED DESCRIPTION             | 1/1 Transceiver Full RS232 14-TSSOP                                                             |
| DATA RATE                        | -                                                                                               |
| BASE PART NUMBER                 | DS275                                                                                           |
